

If the health or safety of someone in your household would be at risk if electricity or gas service was disconnected, you can receive support by enrolling in the Self-Identified Vulnerable Program.

Support includes:

- Proactive outreach and support during Public Safety Power Shutoffs (PSPS), major emergencies and multi-day outages
- Doorbell rings or a doorhanger from PG&E if you do not respond to previous PSPS notifications
- Extra notice before power is turned off due to nonpayment
- Increased levels of support for rebates, discounts, and other programs

To enroll Please provide the following information (please print):

Name of Qualifying Resident		Telephone Number for Advance Notification (please include area code)	
Service Address	Service City	State	Zip
Mailing Address (if different from Service Address)	Mailing City	State	Zip
Account Number (located on the upper left front page of utility bill)		Email address (Optional)	

If the qualifying resident is not the utility customer, please state the utility customer's name and the relationship of the qualifying resident:

Customer Name	Relationship of Qualifying Resident

Please make sure PG&E has your correct contact preferences so we can reach you in advance of a planned Public Safety Power Shutoff (PSPS) or other situations that may result in an outage. In certain situations, we may also send a letter. All contact methods will be used during a PSPS event.
